Keele University

SUBMISSION DECLARATION FORM

MODULE NUMBER: CSC-40098-2025-Y1-E **MODULE TITLE: MSc Project**

PROJECT TITLE:

A Comparative Evaluation of Transformer Based Language Models for the Generation of Structured Algorithmic Representations such as Pseudocode and Executable Flow Diagrams from Natural Language Algorithm Specifications.

NAME (BLOCK CAPITALS): ALAN JOHNSON

REGISTRATION NUMBER: 24038155	**YEAR OF STUDY: Nov 2024-2026**

By submitting this assignment I confirm that:

(a) That the above project is my own account, based upon work actually carried out by me, and that all sources of material not resulting from my own experimentation, observation or specimen collecting, including observational data, have been clearly indicated.

(b)

- I have read and understood University Regulation 8 12 'Unacceptable Coursework and Academic Misconduct' http://www.keele.ac.uk/regulations/regulation8/#d.en.19990;
- I understand the term 'plagiarism' and that this assignment is not plagiarised;
- I have not colluded with anybody in its preparation and production;
- This assignment (or sections of it) has not been submitted for assessment in this or any other module.

Please tick here if you have used a proofreader for this assignment ☐

- I understand that inappropriate use of a proofreader as outlined in Section 5 of the University's proofreading guidance (http://www.keele.ac.uk/studentacademicconduct/ could be classed as academic misconduct.

(c) That I have read, understood, and abided by the terms of University Regulation 8 11 below:

CONDUCT WITH REGARD TO PROJECTS.

11.1 Titles must be approved or specified by the School Board of Examiners concerned.

11.2 Projects must be in the student's own words, except for quotations from published and unpublished sources which must be clearly indicated as such and be accompanied by full details of the publications concerned. The source(s) of any map, photograph, illustrations, or similar must be similarly indicated. The student must indicate clearly the source(s), whether published or unpublished, of any material not resulting from his/her own experimentation, observation or specimen collecting, including observational data.

Students will be required to sign a statement to that effect. Failure to comply with these requirements may be construed as cheating.
